***Re: Freedom of Information Request for documentation regarding drones***

Dear Brandon,

I assist with the Freedom of Information requests received by the University of Connecticut. A copy of your August 16, 2012 Freedom of Information request has been received by our office.

I have conferred with various offices on campus to determine the extent to which the University of Connecticut maintains records of the variety you requested. I have completed that task and must report to you that there are no records responsive to your request.

Please do not hesitate to call me with any questions. I can be reached directly at (860) 486-2530.

Regards,
